

## BAS-E112HY

BAS-E112HY, LFP technology battery storage system with alternating current coupling of 50 kW transfer power and 112 kWh capacity to store energy and hybridization of photovoltaic module series,

Code: EBE123.

### Specifications

#### BAS-E1

Energy storage solution.

CODE	TYPE
EBE123.	BAS-E112HY
EBE144.	BAS-E233AC
EBE155.	BAS-E261AC
