PP1-RB

PP1-RB, Parking space occupancy status indicator with 360° vision, color Red-Blue (2000 mcd). Power supply: 24 VDC. Consumption: 0.7 W. Direct connection to the SP series parking space detection sensor. Adjustable brightness intensity.,

Code: G10402.

Specifications

DC power supply

Consumption	0,7 W
Nominal voltage	+24 Vdc +/- 10%

Environmental characteristics

Protection class	IP20
Operating temperature	0 ... +60 °C

Mechanical characteristics

Envelope	Self-extinguishing polycarbonate

User interface

LED	LED
Luminous intensity	2000 mcd

PP1

CODE	TYPE
G10401.	PP1-RG
G10402.	PP1-RB
