VMS-200-4M

VMS-200-4M, Outdoor RGB matrix display with 4 modules of 200 mm digit height. Max. 4 digits. 8 colors. Supports 3 digits and cross/arrow or Symbol and 3 digits. Allows up to 15 characters.,

Code: G20204.

Specifications

DC power supply

Consumption	35 W (max.)
Nominal voltage	24-48 Vdc -24% +50%

Environmental characteristics

Protection class	IP54
Operating temperature	-20 ... +60 °C

Mechanical characteristics

Envelope	Black aluminium case
Connection type	Power and data connector

User interface

LED	High-brightness RGB LED

Serial communication

Technology / Type	RS-485

VMS

CODE	TYPE
G20203.	VMS-125-8M
G20204.	VMS-200-4M
