

# SEC72 15000 /110V

SEC72 15000 /110V, Escala intercambiável para Voltímetro EC72, panel 72x72

Código: M104Y5.

- > Escala completa: 15000 /110 V
- > Equipamento: EC72
- > Módulos: 72x72

## Especificações

### Características mecânicas

|                                   |                  |
|-----------------------------------|------------------|
| Tamanho (mm) larg. x alt. x prof. | 60 x 60 x 1 (mm) |
| Peso (kg)                         | 0,004            |

### SEC/SEMSC-V
