

# SEZC96 10/5 A

SEZC96 10/5 A, Escala intercambiável para amperímetro EZC, panel 96x96

Código: M109X3. **DESCATALOGADO**

- > Escala completa: 10/5 A
- > Equipamento: EZC96
- > Módulos: 96x96

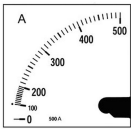

## Especificações

### Características mecânicas

|                                   |                  |
|-----------------------------------|------------------|
| Tamanho (mm) larg. x alt. x prof. | 84 x 84 x 1 (mm) |
|-----------------------------------|------------------|

**SEZC-A**
