

## SEMC72 100 /5A

SEMC72 100 /5A, Escala intercambiável para amperímetro maxímetro EMC72, painel 72x72

Código: M126YC. [CONSULTAR DISPONIBILIDAD](#)

- > Intervalo de Medida (A): 100/5
- > Equipamento: EMC72
- > Módulos: 72x72

### Especificações

#### Características mecânicas

|                                   |                  |
|-----------------------------------|------------------|
| Tamanho (mm) larg. x alt. x prof. | 60 x 60 x 1 (mm) |
| Peso (kg)                         | 0,004            |

#### SMMC/SEMC

Escala intercambiável para amperímetro maxímetro MMC/EMC
